<p>All property owners desiring water service must sign for such service in person at the Utilities Billing Office showing a positive identification and documentation (Deed, Settlement Statement, or Closing Statement) that demonstrates interest in the subject property before such service will be provided.</p> <p>The City of Zanesville requires a security deposit. The deposit is credited to the customer's account who made the deposit after a one-year period provided the customer has kept his account current for the preceding 12 month period. Owner occupied units only.</p> <p>Water service can be refused to an applicant where billings for previous service or for assessments are outstanding. Payment of all bills from previous service addresses are required prior to registration at a new service address.</p> <p>The undersigned hereby agrees to be governed by the rules and regulations of the Zanesville Utilities Department, including such rules regarding responsibility for payment, and that the Utilities Department reserves the right to discontinue service to the property until such delinquency is paid.</p>
